Subject: marine protected areas

Please work to protect our coast as much as possible.

I urge you to implement Proposal 4. It protects the San Mateo Coast in the best, strongest possible manner by creating a marine reserve from Pillar Point to Pedro Point and beyond to Shelter Cove. It also protects San Gregorio to Tunitas Creek, including seal basking areas, and provides a "marine wilderness" area for visitors.

Thank you. Elaine and John French, 35 Hidden Valley Lane, Woodside, CA 94062
